FAIRBANKS ENDORSED

Eight Delegates-at-Large With Half
Vote Each Are Instructed To
Vote For Indiana Candidate.

Louisville, March 1.—The candidacy
of Charles W. Fairbanks of Indiana,
former Vice President, was endorsed
by the Republican state convention in
session here tonight and eight dele-
gates-at-large, with one-half vote each,
were instructed to vote in the na-
tional convention for Mr. Fairbanks
for President "as long as his name is
before the convention."

E. P. Morrow, recent gubernatorial
candidate; Augustus E. Willson, for-
mer Governor; John W. Langley and
Caleb Powers, Representatives in Con-
gress; E. C. O'Rear, Richard P. Ernst,
Marshall Hullitt and Phil Brown, a
negro editor, were elected members of
the at-large delegation.

The convention adopted resolutions
declaring for adequate home defense,
thorough protective tariff policy,
against foreign industrial invasion,
adequate national protection against
all foreign foes, a friendly attitude of
government toward business, restora-
tion of the American flag to the ocean,
maintenance of the sovereignty of the
Philippines until it can be justly and
honorably withdrawn, protection of
American lives at home and abroad.
The present administration at
Washington was denounced in resolu-
tions for having subjected American
industries and labor "to competition
with underpaid foreign labor," and the
Democratic party for its failure to pro-
vide by tariff regulation an adequate
revenue and for "its failure to reduce
to cost of living."

DEATH OF MISS JOSEPHINE WISE- NALL.

Miss Josephine Wisenall died at her
home on West Second street Wednes-
day night at 10 o'clock, the immediate
cause being pneumonia, although the
deceased had long been a sufferer from
the effects of a severe fall which she
received more than a year ago.

She was born in this city seventy-
seven years ago, but resided in Aber-
deen, O., for more than forty years,
returning to this city a few years ago,
where she had since resided. She was
a daughter of John and Ellen Wise-
nall, her mother's maiden name being
Rudy. Her only surviving near rela-
tive is his sister, Miss Mary Catherine
Wisenall, with whom she made her
home, but there is a number of dis-
tant relatives and friends who will
mourn the loss of this good woman.

Decedent was a consistent member
of the Methodist church and her fun-
eral will be in charge of Rev. J. M.
Lital of the Third Street M. E.
church, the time and place to be an-
nounced later.

day afternoon for unlawfully procur-

other in dry territory. Alexander
pleaded guilty and was fined \$64.50.
Payne pleaded guilty, but on account
of his having had previous trouble,
was fined \$104.75 and sentenced to ten

late P. Paebst, died at her home on
Main street, this city, Friday evening,
February 18, 1918, at 8 o'clock, from
a stroke of paralysis suffered a short
time before, aged nearly 91 years.

Mrs. Sarah Paebst was born on April
17, 1825, in Germany, in the province
of Hesse. Her early life was spent in
Hanover, Germany.

In 1825 with a party of friends, one
of whom was her late beloved husband,
she emigrated to America in a sailing
vessel which consumed sixty-three
days in making the journey. Upon
their arrival in New York they were
united in marriage and resided in New
York seven years, after which they
moved to Cincinnati, remaining there
seven years. From there they came to
Ripley in 1860 where she has since
made her home. To this union ten
children were born, four of whom sur-

O.; Mrs. Charles R. Schneider of Nor-
wood, O.; and Mrs. Tom Israel of Le-
banon, O. These with four grandchild-
ren mourned at her loss.

She was a kind and loving mother, a
true friend and a Christian woman.

The funeral services were conducted
from her late home Monday afternoon,

service. Burial in Maplewood ceme-
tery.

Wednesday morning at an early
hour a dog belonging to a farmer com-
ing up West Third street attacked lit-
tle Marguerite Lynch, but fortunately

flesh. It next attacked Mr. George
Schwartz and tore the skirt of his coat.
Before it could be captured or killed
the owner had left town.

NEVER FRIES DARK

In preparing bacon for you breakfast, it should be noticed that
"PARTRIDGE" Bacon, even though done to a turn, will retain its rich,
golden color. This is one of the distinctions of "PARTRIDGE" Bacon,
in that its very appearance on your breakfast table, crisp, tender, gold-
en brown and piping hot, will arouse and stimulate the most sluggish
appetite. So perfect is the cure of the "PARTRIDGE" Bacon, that
it can never fry dark. Order a pound today.

THE HOME OF QUALITY CLOTHES

If there ever was a time for serious contemplation about clothes needs—that
moment has arrived. If, next winter, you are asked to pay advances on clothes that
will strike you as steep, don't blame any retailer. Woolens have soared to unprece-
dented heights; you know something about the wool situation yourself, by the way
it is selling here; dyestuffs are alarmingly scarce; trimmings have gone 'way up;
even labor is better paid than ever before.

You Can't Dodge These Things--- They Are Facts!

But here is something you can do, and that is to get an extra suit NOW—
while we are selling Society Brand, Stein-Bloch, R. B. Fashion, Hirsh-Wickwire,
and Michaels, Stern & Co. clothes and other clothes at greatly reduced prices.

D. HECHINGER & CO.

ONLY UNTIL SATURDAY

can linens be secured at present prices. Monday will see prices the rising linen market demands, placed on every item in our
stock. The linen situation grows more tense every month the European war continues. With linens it is no longer a ques-
tion of getting what you want but taking what you can get. We not only don't know when we can replenish our stock at
present prices but we don't know when some items can be procured at any price.

We are playing fair and giving due warning. After this week prices advance.
